## CURRENTS IS LOOKING FOR YOUR BEST IMAGE

**H**ey, all you would-be photographers out there: Give us your best shot.

How would you like to see your work published in a future issue of *Currents*? We know that, for many of you, photography is more than a casual pursuit. You love to capture unique views of the world with the click of a shutter. And we'd love to capture your best work.

So share your best shot with us and other *Currents* readers. We're looking for high quality, high-resolution imaginative images in the following areas:

- Natural resources on Navy installations
- Natural resources at sea
- Navy personnel protecting the environment
- Energy and environmental management projects on Navy installations and ships

With your submission, please provide your name, contact information, and a description of your image and how you shot it. Images must be submitted to our Managing Editor, Bruce McCaffrey at [brucemccaffrey@sbcglobal.net](mailto:brucemccaffrey@sbcglobal.net) in digital format (as .jpg files) at a resolution of at least 300 dots per inch (dpi).

Rafael Arnaldo Olivieri

To ensure quality printing, we need an ORIGINAL resolution (i.e., when the photo is taken) of at least 300 dpi. Your original file dimensions should be at least 2,100 by 1,500 pixels. So if you are using a digital camera, please set your file size to the largest size possible.

Help us present the Navy's energy and environmental management efforts through your creative eye. We'll take a careful look at all submissions and try to find space to display as much of your inspired work as possible.
